Message of Condemnation and Condolences for Terrorist Attack in Sri Lanka

We strongly condemn the heinous terrorist attack on tourists and Easter worshippers which resulted in death and wounding of hundreds of people in Sri Lanka.

It is heartbreaking to see these tragedies happen consecutively and that we face a new one before we heal our sorrows we have from the former incidents.

This tragic event is again a reminder for us that terrorism does not have any faith or color and it is more important than ever to stand in solidarity against violence, hate, and terror, and to work together to build a future filled with love.

On this sad occasion, we express our heartfelt condolences initially to people of Sri Lanka and to all humanity. We have great sympathy for the family and friends of those who lost their lives. We pray to God, the Most Compassionate and Merciful, for those who lost their lives and to lead our society to days of peace and tranquility where respect for human life overcomes hatred. We also pray for the fast recovery of the wounded.

With Prayers,

M.Said Selmanlar
President
